

# COMMUNITIES IN ACTION

Richland County, Montana

Common Goals  
Community Awareness  
Collective Impact

The **mission** of Communities in Action (CIA) is to provide a structured community platform and foster partnerships to improve quality of life in Richland County.

## *A quick look at the Community Building Process*

---

The process is overseen by a steering committee

---

Provides opportunity for community input from bottom up *not* top down

---

Creates a platform early. It can be tailored to any size community

---

Creates opportunities to network that increases efficiency & decreases duplication

---

# Communities in action is a platform & a process

- A way to measure success
- Mechanism for accepting & managing revenues for community organizing
- Opportunity to pool resources
